

This rebate will help offset the costs of installing an approved electric vehicle (EV) charger in your home.

Application Instructions

Before you begin:

- Ensure your eligibility**
Refer to Eligibility Rules on page 3.
- Review all Terms and Conditions**
Refer to Terms and Conditions on page 3.
- Purchase an approved EV charger**
Qualified level 2 EV chargers have the ability to schedule the times the vehicle will charge.
- Have an approved EV charger installed**
An electrician will install the approved EV charger in your home.

Important: Incomplete applications will not be processed and will be returned for correction to the submitting party.

Read carefully and comply with all the Terms and Conditions. Complete all parts of the application that are applicable. **Note the following required information which is often overlooked:** Customer information including Danville Utilities account number and customer numbers (Danville Utilities account number and customer number are displayed on customer bills together, separated by a hyphen), name and service address as shown on Danville Utilities bills. **CUSTOMERS MUST BE ON THE TIME-OF-USE RATE TO QUALIFY FOR THE REBATE.**

Terms and Conditions

I certify that the information provided on this application form is accurate and complete. I understand that the proposed rebate payment from Danville Utilities is subject to change based on availability and approval. I understand that Danville Utilities reserves the right to revise rebate levels and/or qualifying efficiency levels at any time. I understand that I must attach acceptable forms of proof of installation details to application and submit to Danville Utilities within 90 days after installation in order to be eligible for a rebate. Acceptable forms of proof of purchase include paid invoices or receipts. The documentation must show item numbers, and quantities. I understand that Danville Utilities may, at its sole discretion, accept other forms of proof of purchase. **CUSTOMERS MUST BE ON THE TIME-OF-USE RATE TO QUALIFY FOR REBATE.** I understand that installation must be performed by a licensed electrician. I understand that the proposed rebate payment is subject to change, based on site verification or verification by phone and Danville Utilities' approval. I agree to Danville Utilities' verification of both the sales transaction and equipment installation, which will include a site inspection by a Danville Utilities' representative or Danville Utilities' agent.

I understand I will receive only one rebate for each qualifying installation. I understand no rebate can exceed the cost of the installation. I also understand my participation in the program may be taxable and that I am solely responsible for paying all such taxes. I hereby agree to indemnify, hold harmless and release Danville Utilities and its affiliates from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein including liability from any incidental or consequential damages. I understand that equipment must be installed at the service address connected with listed Account Customer number.

Danville Utilities does not endorse any particular manufacturer, vendor, product or system design within this program; does not expressly or implicitly warrant the performance of the installed equipment (contact your contractor for details regarding equipment warranties); and is not liable for any damages caused by the installation and/or operation of the equipment nor for any damage caused by the malfunction of the installed equipment.

A customer's election to participate in the Program means that the customer is consenting to the possibility of Danville Utilities sharing that customer's pertinent information with Danville Utilities' agents, contractors, wholesale power suppliers and PJM LLC. Pertinent customer information includes, but is not limited to account holder name, address, other contact information and other information necessary to implement and monitor the Program. Rebate amounts are subject to regulatory modifications without notice and Program availability until fully subscribed. Projects must be complete before rebates will be paid. Rebates cannot be reserved.

Eligibility Rules

1. Customer must comply with all Terms and Conditions above.
2. Customer must be classified as and served under a Danville Utilities "TOU-10" Schedule 10 Residential Electric Service – Time of Use rate.
3. Equipment and/or insulation material must be purchased on or after July 1, 2022 to be eligible.
4. Danville Program is effective from July 1, 2022 through June 30, 2023.
5. Include sales receipt or invoice containing the following information: Electrician/Contractor name, address and phone number; Itemized listing of quantity, make, model, description and other identifying information as appropriate; Purchase date and cost; Product installation date.

3 Acceptance of Terms

I certify that the information provided on this application form is accurate and complete and that I agree to the Terms and Conditions as listed above.

Customer name (please print): _____

Customer signature: _____ Date: _____
