Terms and Conditions

I certify that the information provided on this application form is accurate and complete. I understand that the proposed rebate payment from Danville Utilities is subject to change based on availability and approval. I understand that Danville Utilities reserves the right to revise rebate levels and/or qualifying efficiency levels at any time. I understand that I must attach acceptable forms of proof of purchase and installation details to application and submit to Danville Utilities within 90 days after installation in order to be eligible for a rebate. Acceptable forms of proof of purchase include paid invoices or receipts. The documentation must show item numbers, and quantities. Additionally, the post-installation documentation must include manufacturers' specifications that list the efficiency ratings of the equipment. I understand that Danville Utilities may, at its sole discretion, accept other forms of proof of purchase. I understand that all installed measures must be new. No refurbished measures will be accepted. All new installations must replace existing fixtures. I understand that installation must be performed by a licensed contractor or self-installed. I understand that the proposed rebate payment is subject to change, based on site verification or verification by phone and Danville Utilities' approval. I agree to Danville Utilities' verification of both the sales transaction and equipment installation, which may include a site inspection by a Danville Utilities' representative or Danville Utilities' agent. I understand I will receive only one rebate for each qualifying measure. I understand no rebate can exceed the cost of the equipment. I also understand my participation in the program may be taxable and that I am solely responsible for paying all such taxes. I hereby agree to indemnify, hold harmless and release Danville Utilities and its affiliates from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein including liability from any incidental or consequential damages. I understand that equipment must be installed and/or tune-up services provided at the service address connected with listed Account Customer number.

Danville Utilities does not endorse any particular manufacturer, vendor, product or system design within this program; does not expressly or implicitly warrant the performance of the installed equipment (contact your contractor for details regarding equipment warranties); and is not liable for any damages caused by the installation and/or operation of the equipment nor for any damage caused by the malfunction of the installed equipment.

A customer's election to participate in the Program means that the customer is consenting to the possibility of Danville Utilities sharing that customer's pertinent information with Danville Utilities' agents, contractors, wholesale power suppliers and PJM LLC. Pertinent customer information includes, but is not limited to account holder name, address, other contact information and other information necessary to implement and monitor the Program. Rebate amounts are subject to regulatory modifications without notice and Program availability until fully subscribed. Projects must be complete before rebates will be paid. Rebates cannot be reserved.
